

**REMARKS****Claim Amendments**

Claims 1, 11, 17 and 20 have been amended to correct clerical mistakes. In claim 11 an “is” has been inserted. In each of claims 1, 17 and 20 two incorrect “and” have been substituted with “or”, a clarifying phrase “if present” has been inserted. Additionally, in Claim 20 a comma has been deleted.

No new matter has been added as a result of these amendments. These amendments correct clear errors and raise no new issues, for examination.

**Clerical Mistake in Reply to Office Action filed March 9, 2006**

Applicant stated in the last two lines of page 4 of Applicant’s Reply filed on March 9, 2006 that “[t]herefore, graft versus host disease (GVHD) is a rejection of a tissue transplant by a host, rather it is an unusual situation were the graft cell attacks or rejects the host.” Applicant mistakenly left out a “not.” Applicant meant to state that GVHD is “not a rejection of tissue transplant by a host” as is clear from a) the phrase “rather it is an unusual situation were the graft cell attacks or rejects the host,” and b) from Applicant’s arguments brought forward throughout the response.

**CONCLUSION**
